APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the 0.5 c.f.s., herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.5 cubic feet per second.

Actual construction work shall begin on or before.....July 5, 1971

Proof of commencement of work shall be filed before.....August 5, 1971

Work must be prosecuted with reasonable diligence and be completed on or before.....July 5, 1972

Proof of completion of work shall be filed before.....August 5, 1972

Application of water to beneficial use shall be made on or before.....July 5, 1974

Proof of the application of water to beneficial use shall be filed on or before.....August 5, 1974

Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed.....SEP 2 1971

Completion of work filed.....SEP 25 1973

Proof of beneficial use filed.....

Cultural map filed.....

Certificate No.....Issued.....
